

Australian Electoral Commission (AEC) the first Federal Government agency to migrate to the new Expense8 SaaS based expense management platform

- **Long-term customer Australian Electoral Commission (AEC) adopts Expense8**
- **First Federal government agency to adopt Expense8**

Enterprise software technology group 8common Limited (ASX: 8CO) is pleased to announce that its subsidiary Business Information Systems (BIS) has received formal sign-off from its long –time existing client the Australian Electoral Commission (AEC) to migrate to the Expense8 solution on a Software as a Service (SaaS) basis.

Expense8 replaces the previous iCMS product of which the AEC has been a customer for 8 years. The 3 year contract will provide a positive impact to the current financial year and beyond with additional features to be used by AEC to enhance their employee productivity and performance.

Nick Gonios, CEO of 8common Limited, said “This milestone further cements Expense8’s presence across Australian Federal Government and enables AEC to deliver greater process and cost efficiencies with their expense management needs.”

Expense8 is an integrated software solution that streamlines the accounting, reporting, tax compliance (GST, FBT) and governance of employee generated expenses and corporate travel bookings. Tailored for each client, Expense8 provides organisations with all the tools needed for employees to plan and book business trips; and reconcile travel and corporate expenses.

Expense8 government clients include Federal Department of Finance, Federal Treasury, NSW Department of Education, NSW Police, whole of Northern Territory Government, and Transport NSW.
