

### Realtors8 earnout and write down

8common Limited (ASX: 8CO), a leading provider of travel expense management software and card application management, advises that the final earnout for the sale of Realtors8 will not be received.

As announced to the ASX on 16 February 2018 in relation to the binding sales agreement for Realtors8 to Cloudaron Group Berhad (Cloudaron), the Tranche 2 payment via the issuance of 13,013,875 Cloudaron shares was dependent on the EBITDA guarantee provided by 8common that the combined EBITDA of Realtors8 Group shall not be less than S\$400,000 (Singapore Dollars) for each FYE 31 March 2019 and FYE 31 March 2020.

We have been advised by the auditors for Realtor8 Pte Ltd that this threshold was not met. Accordingly, 8common has impaired the full deferred consideration component of A\$388,000 that was held on its Balance Sheet related to the Tranche 2 payment by Cloudaron.

8common maintains a strong net cash position of \$1.8m (as at 31 March) which provides the ability to deliver on our business as usual activities, invest in opportunities that arise and continue the development of CardHERO.
